Sir:

RESPONSE TO RESTRICTION REQUIREMENT

In response to the restriction requirement, mailed November 21, 2000, Applicants elect to restrict the above-captioned patent application to invention 1, claims 1-18 and 21-37 drawn to an energy converter, classified in class 310, subclass 306, without traverse.

CONCLUSION

Applicants submits that this application, as amended, is in condition for allowance, and such disposition is earnestly solicited. If the Examiner believes that the prosecution might be advanced by discussing the application with Applicant, I would welcome the opportunity to do so.

Respectfully submitted,

Jonathan Sidney Edelson
Inventor
